PROFILE

Finance professional with a BBA in Finance and hands-on experience in accounting, financial reporting, and ERP systems like SAP. Skilled in reconciliations, compliance, and month-end processes. Detail-oriented, fast learner, and adaptable—blending financial expertise with strong technical aptitude.

WORK EXPERIENCE

Associate - Finance & Accounting (F&A)

March 2025 – Present

WNS Global Services, Colombo, Sri Lanka

- Process and validate financial transactions in compliance with internal policies and client-specific guidelines.
- Utilize Wise Cloud platform for real-time financial data management, supporting accurate forecasting and budgeting.
- Collaborate with cross-functional teams to resolve discrepancies, improving overall process efficiency.
- Maintain detailed financial documentation aligned with internal controls and compliance requirements.

Finance Trainee

August 2024 – February 2025

Resus Energy PLC, Colombo 07, Sri Lanka

- Managed payment handling and planning, ensuring timely transaction processing in line with financial policies.
- Used SAP to record financial data and generate accurate reports, enhancing reporting efficiency.
- Assisted in preparing and reconciling financial statements, ensuring compliance with accounting standards.
- Supported month-end closing by preparing journal entries and maintaining financial records.
